

A Summer for a Lifetime

Take Camp Home With You!

This year we want to visit the many communities and synagogues who send campers to the hills of Ojai for a summer at Camp Ramah in California! **We are looking for Ramah families** who would be willing to host an evening reunion for current camp families and information session for new families in your area who would enjoy the Ramah experience including a visit with Rabbi Dan or Zach.

Please complete the bottom section of this flyer if you would be willing to host and help organize an evening in your city or synagogue. Please fax this form back to 310-472-3810 or mail it back to our office.
